The committee was established to safeguard the interests of the students. The Committee works towards safeguarding the children from the challenges they face in their formative years at school. The Committee takes up age appropriate initiatives to create awareness about sexual exploitation and to ensure that all learners are aware of their rights and responsibilities towards themselves. Training sessions are conducted for the faculty and staff to recognize and report issues of abuse and neglect. Complaint Boxes are placed strategically and checked regularly by the Committee members to address the complaints, if any.
